## **Suspicion of irregularities in relation to Agriculture Markets Development Trust (AMDT), Tanzania**

The Embassy of Denmark in Tanzania provides support for the AMDT Trust under the Business Sector Programme Support (BSPS-IV) with the aim of enhancing access of farmers and the agri-businesses to relevant markets and supporting removal of obstacles, which prevent farmers and businesses from realizing their growth potential. DKK 130,000,000 has been granted for the period 2016 - 2021 of which DKK 95,887,085 has been disbursed so far.

There are anonymous allegations of possible theft, corruption and workplace misconduct in AMDT. The allegations do not indicate any specific amount under suspicion.

The donors (Sweden, Ireland and Denmark) have agreed to initiate a special audit to investigate the allegations.

A follow-up report will be forwarded when there are further developments in the case.

Yours sincerely,  
Asger Graae
